

AMIE EXAMINATIONS CONDUCTED BY IEI QATAR CHAPTER

Er. DipakDahake, B.E., M.I.E., C.Eng.,P.G.Dip.

The Institution of Engineers (India) is acting as qualifying body and conducting examinations under its non-formal education programme, to cater to the needs and aspirations of prospective entrants to the profession since 1928, successful completion of which is recognized as equivalent to a degree in engineering. Sections A & B pass students are eligible for postgraduate studies and for employment as Engineering Professionals.

Recognitions of Institution Examinations:- AMIE Sections A & B Examinations, conducted by The Institution of Engineers (India), 8 Gokhale Road, Kolkata are recognised as equivalent to bachelor's degree in the appropriate branch of engineering of the recognized universities of India by various national bodies such as MHRD, UPSC, UGC, Government of India, IIM, IIT etc. as well as many of the international bodies in UK, USA, AUSTRALIA.

The Institution examinations are held twice a year generally in the month of June and December - termed as Summer and Winter examinations, respectively as:-

SECTION A (Non-Diploma Stream)

SECTION A (DIPLOMA STREAM)

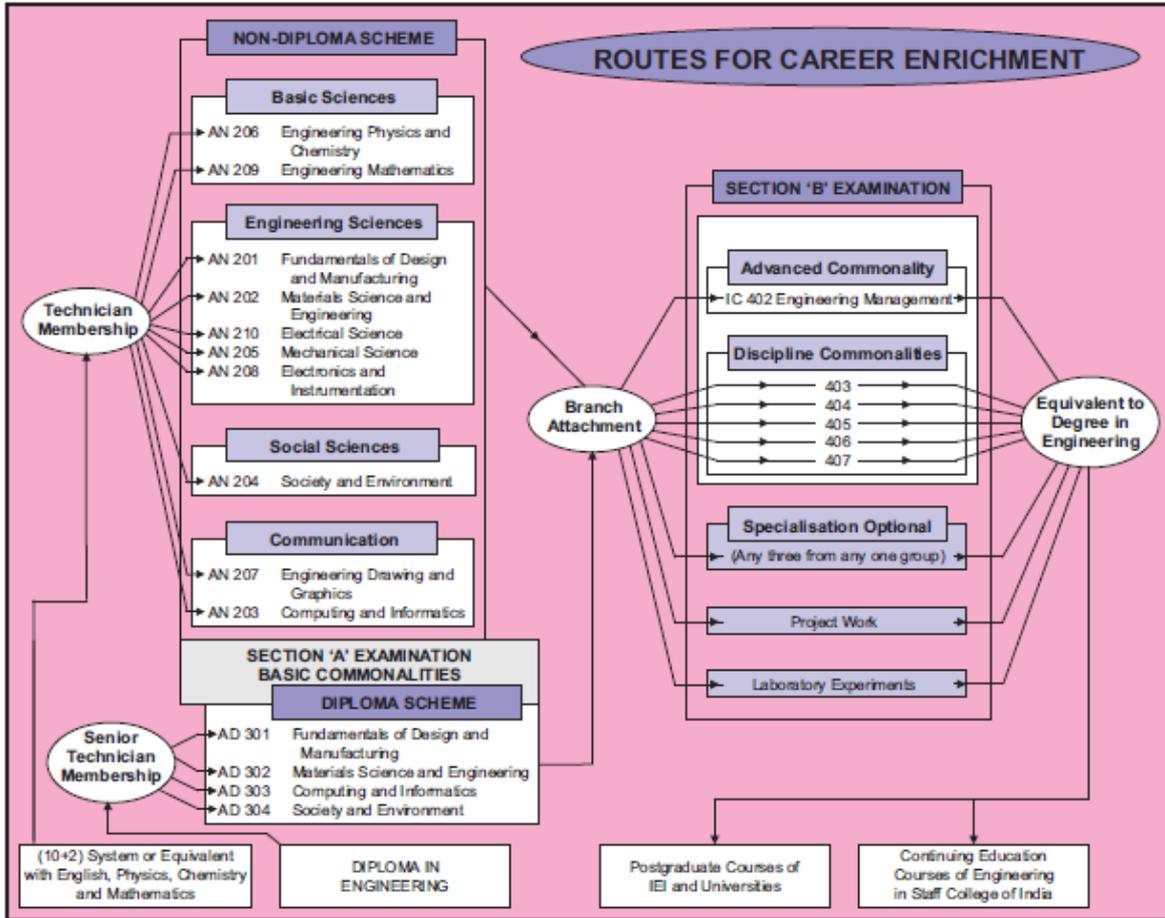

SECTION B (in the following branches of engineering)

Architectural Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Electronics and Communication Engineering, Mechanical Engineering, Metallurgy and Material Science, Mining Engineering, Production Engineering and Textile Engineering.

The career progression with AMIE Examination is being availed by the many students from IEI Local, State & Overseas Chapters, who are unable to pursue these through regular courses in Engineering Colleges. The qualifications can be earned by passing Section-A, Section-B examinations and completing Project Work & Laboratory Experiments.

The facility is also available for the Engineering Degree Holders of particular discipline to obtain degree in another discipline through this examination.

IEI Qatar Chapter, as a commitment to the engineering community to enhance professional excellence of the working engineers in Qatar, has been conducting AMIE examinations in Qatar since 1993 under the supervision of Indian Embassy. This year, Summer AMIE Examination was conducted from June 2-8, 2012 and 82 students were appeared at Qatar Centre.

AMIE Summer-2012 Examination is undergoing at ICC Qatar

The Winter- 2012 Examinations of Sections 'A' and 'B' shall be conducted at 65 Examination Centres in India and abroad during December 01-07, 2012. Those Engineers' who are interested to enrol for AMIE Examination may please contact IEI Qatar Chapter office.
